Card Written by Sage to Dusty

I was thinking of you today  
and just had to tell you  
how much you mean to me.

This in no way makes up for all  
I have done. But I hope you  
know how deep my love for you  
is. You deserve so much more,  
I hope I can show you how  
truly I cherish you. I love  
you Dusty. Forever.  
I'm Sorry.
